

Aloha Parents/Guardians,

We would like to thank you for your support of the hot lunch program at LFS last year.

We are gearing up for this coming school year. School lunch costs will be \$5.50 this year.

Please go into our web site and register your student(s) for this coming year. This process has to be done each year in order to make sure we have updated information. Please be sure to write down your username: & password for your convenience.

Our web site will take lunch orders up to midnight daily, if you find you need a lunch on the same day, just call us before 9AM and we will do our best to get a lunch for you. Same day "emergency" lunches will cost \$6.00.

Please go to [www.poiboycatering.com](http://www.poiboycatering.com)

You can register your student(s) under: school lunches tab. Once you have registered you can click through the process and order the days you would like, either a hot choice or cold choice for that day. You will then go to our secure check out process. We do not store your credit card information. You will need to enter the information each time you place your order. We do not offer refunds or credits for missed meals. We do everything possible to make sure the student(s) receive their lunch. But unfortunately somethings are out of our control. **We ask you to be sure to check the daily items on the menu and know your student(s) health and allergy issues before you place an order.**

If you have questions, please don't hesitate to call us or e mail us and we will get back to you and help make sure the process is smooth for you.

We appreciate parents that order weekly or monthly for their student(s). It makes our process more efficient for you.

Again, thank you for all of your kind words and support.
